ORDER SETTING SPEED LIMITS ON COUNTY ROADS IN FISHER COUNTY, TEXAS

On May 13, 2024, at 9:00 a.m., the Fisher County Commissioners' Court at its regularly scheduled monthly meeting, considered a resolution to lower the speed limit on all county roads in Fisher County, Texas to 30 miles per hour where posted on County Roads in Fisher County, Texas.

After discussion and consideration of relevant factors, including the location, width, and conditions of the roads, public safety, the usual traffic on the roads, and other circumstances relating to the roads, and in Regular Session of the Fisher County Commissioners' Court, on May 13, 2024, the Court finds that the maximum, reasonable, and prudent speed on all roads may be lowered to 30 miles per hour and enforced if speed limit signs are posted as necessary for public safety. Maps will be provided to the Sheriff's Department for any road that has had a reduced speed limit.

IT IS THEREFORE ORDERED, ADJUDGED, AND DECREED that the speed limits for County Roads in Fisher County, Texas are set at 30 miles per hour.

Signed on May 13, 2024.
